

topran info service

www.pries.de | topbran@pries.de

Articles with **t+** logo are checked by us for completeness and contain all components required for a professional repair.

Advantages for you and your customers:

- No searching for missing components.
- Providing ideal solutions for repair including assembly accessories to your customers.
- **t+** articles speed up the processing of repair jobs and increase customer satisfaction.

You may find the **t+** logo in our sales media as follows:

- In the first column ("info") of our price list. Specific sorting and searching is possible.
- In the online shop it is shown on the product images.
- In the new Hans Pries DVD catalogue it also can be found on the product images.
- At TecDoc it will be shown starting from version 01/2017.
